Request for Assistance in Securing Visa Appointment at the Embassy of France

Dear Sir/Madam, On behalf of “NEW WAY EDUCATION” LLC, we respectfully request the assistance of the Ministry of Foreign Affairs in facilitating visa submission appointments at the Embassy of France in Tashkent for our delegation of students invited to participate in an International Educational Olympiad in France. Due to limited appointment availability and the urgency of the scheduled travel in April 2026, we kindly request your support in coordinating with the Embassy of France to secure visa appointment dates for the students listed in Annex 1 attached to this letter. All required supporting documents, including official invitation letters, travel itinerary, accommodation bookings, medical insurance, and sponsorship letters, have been duly prepared. We highly appreciate your cooperation and support in this matter.

Respectfully,

Director:
NEW WAY EDUCATION
